

HJR 71 -- DAYLIGHT SAVINGS TIME

SPONSOR: Chipman

Upon voter approval, this constitutional amendment ensures that the state shall be exempted from the daylight saving time provisions of 15 U.S.C. Section 260a. Beginning on the first Sunday in November of 2018, the state and its political subdivisions and agencies shall switch clocks to standard time for the last time and the use of daylight saving time for public purposes will be eliminated. After this time, daylight saving time will no longer be recognized as the official time of this state. This act shall become effective if and only if two states adjacent to Missouri pass a measure substantially similar in content to regulate daylight saving time.
